

2019/20 Harvest Year Information

Credit earning dates run from May 1, 2019 – April 30, 2020

You have two ways to earn:

1. **Regular Harvest Order:**

This includes local retailers and also orders from an extended list of national retailers. See this link for the full list and the percentage that they pay back <https://www.shopwithscrip.com/shopwithscrip-retailers>. Orders take about 8 days to be received after the order date.

Our paper order form only includes the retailers that are more commonly ordered, so if you see a retailer from the full list that you would like to order that is not on the form, simply write it in.

2019/20 school year Harvest order dates are Wednesdays, due to the office with payment by 12:30pm on the order date:

- Sept 11, 25
- Oct 9, 23
- Nov 6, 20
- Dec 4, 11
- Jan 8, 22
- Feb 5, 19
- Mar 4, 18
- Apr 1, 22

We also have an option this year of participating in Shop with Scrip **online ordering**. Please see below information for details about placing orders online.

2. **Stock Harvest Order:**

We keep gift cards from various local retailers in stock in the office. *(Please note that on occasion we temporarily run out of stock for a certain retailer. You will be informed if this happens and will receive this item ASAP. Thank you in advance for your understanding on this.)*

When you submit the stock order form at drop-off, the office will send the desired cards home with your child that same day at pick-up. It will be pinned to your child's shirt in an envelope that says "Harvest". Please inform anyone else who will be picking your child up to look for pinned notes, and especially the Harvest envelopes—(this is cash!). If you submit a stock order form at pick-up, we'll send it home the next day.

Below is the list of retailers we keep in stock.

Barraco's Pizza	Everything's Relative	Panera Bread	Swanson's Beverly Ritz

SHOP WITH SCRIP ONLINE ORDERING

Beginning the 2019/20 Harvest earning year, Beverly Montessori School offers online ordering as a convenient way for families to purchase gift cards. Each family who chooses to participate in online ordering establishes an account with our supplier.

By participating in the online ordering program, you agree that any charges or penalties incurred due to insufficient funds are the responsibility of the family purchasing the gift cards. Further, access to online ordering will be suspended if tuition payments are not current.

Instructions for signing up for online ordering

Thank you participating in our school's Harvest fundraising program. You are now eligible to participate in the online ordering to earn towards your Harvest fundraising obligation.

This option gives our families the ability to order online for an immediate gift card using what is called the *Scripnow* option. For example, if I was in Marshall's and decided to purchase something I can log onto my account and purchase a gift card that is available a few minutes later. I simply show my phone to the cashier and that's it. Not all of the retailers that participate in Glscrip participate in Scripnow, but the amount that do is growing.

Families will also have the option to place their traditional order online avoiding the need to complete our paper order form. The only catch with a traditional order is that it is still subject to our school's order dates. A family can place an order online whenever they'd like, but the order will be processed with our orders on our schedule and delivered to you about 8 days after the order date on our Harvest calendar.

Families can also, of course, order the traditional paper way directly with the school. Stock orders must be filled the traditional paper way directly with the school.

Here are the instructions to enroll:

1. Go to shopwithscrip.com and select "join a scrip program"
2. You will be prompted to enter BMS's enrollment code which is B9419894334L
3. You will then be able to create your user name and complete the registration page
4. You will need to check your selected bank account for the two small deposits Glscrip will make into your checking account. Once you see those deposits you need to log back into Glscrip and enter those two amounts to complete the registration.

There is an option to pay online with credit card, for a fee. If interested, information is on the website and simply follow those prompts. Beverly Montessori School does not accept credit cards directly for Harvest orders.

There is not a mobile app at this time. But the mobile website is www.myscripwallet.com. When you open the website from your mobile device and sign in, you can place it on the homepage of your phone and it looks and acts just like an app. The mobile website is used to redeem the virtual products very easy without going through the full website which can be hard to do on a mobile device.

This online ordering option is new for 2019/20 earning year, so please bear with us as we work out any kinks. Please contact Amy Berglind or Erin Ross with any questions.

Thank you and happy earning!
